Your Source for Construction Project Information in the Upper Peninsula of Michigan

The Marquette Builders Exchange reports commercial, industrial, institutional, and civil construction projects being bid in the Upper Peninsula of Michigan. Project bid documents can be viewed by MBE members 24 hours a day in the Member Planroom at mqtbx.org. Private online planrooms are also available for members to post projects.

Project bid documents can be printed for members for bidding or construction purposes, unless otherwise specified. Print services include large format, full color printing, copying, and scanning. Waterproof prints are also available. The MBE is a member-owned, 501c(6) non-profit association, serving the construction industry since 1950.
