Your Source for Construction Project Information in the Upper Peninsula of Michigan

The Marquette Builders Exchange reports commercial, industrial, institutional, and civil construction projects being bid in the Upper Peninsula of Michigan. Project bid documents can be viewed by MBE members 24 hours/day in the Member Planroom at mqtbx.org. Private online planrooms are also available for members to post projects.

Project bid documents can be printed for members for bidding or construction purposes, unless otherwise specified. Print services include large format, full color printing, copying, and scanning. Waterproof prints are also available. The MBE is a member-owned, 501c(6) non-profit association, serving the construction industry since 1950.

KINROSS: NORTHERN REGION TRAINING ACADEMY

- Bids due: Jul 27, 2 pm
- Mandatory pre-bid meeting: Jul 17, 11 am at 5086 W. M-80 (meet at the training academy building – follow training academy signs)
- Scope: Construction Manager for the renovation of two existing buildings and site modifications /beautification. The work will include renovations to buildings 233 and 257, which will include classrooms, offices, restrooms, reception, new elevator, break areas, etc. Also, to be included is new roadways, parking lots, sidewalks, exterior fitness pad with an elevated platform, site beatification, a possible memorial and a new roadside monument sign. Renovation of building 233 will be completed first while the main building 257 stays operational. Once building 233 is complete there will be a pause so that MDOC staff can move operations over to the newly completed building. Once moved construction will commence on building 257.
