NOTICE OF BID

Date: January 31, 2025
To: PROSPECTIVE BIDDERS
From: Joseph Ombrello, Purchasing Manager
Re: **Bid #7832 PEIF Chiller Replacement and Vandament Arena Cooling**

A link to access electronic documents for this project will be provided early next week.

Summary of Work:

Demolition and replacement of one existing packaged air cooled liquid chiller and the installation of two new air cooled condensing units. New cooling coils will be installed in two existing air handling units in the PEIF Building Vandament Arena and be served by the two new condensing units. Existing split system units in offices will be replaced with new fan coil units that will be connected to the building chilled water system. Work shall include, but not be limited to, demolition, installation of new chiller, air cooled condensing units, chilled water pumps, fan coil units, piping, electrical distribution, controls, and insulation. .

A pre-bid conference will be held at 10am EST Wednesday, February 12, 2025, via Zoom Conference.
